THE FINAL DESTINATION

Jacob Jessen, Denmark, 2010
35 min. | DK/Documentary

We follow Alma, Magna and Elisabeth, from they leave their homes till they have moved into Betaniahjemmet, where it is very hard for them to settle. The documentary is a sweet and honest portrait of the 3 women - and with the extremely personal angle and it's special aestetics it is a film, that tells the tale of getting to old to take care of oneself, in a unique way.
