EN | DA

Ulla Søe, Sussie Weinold, Denmark, 2012

15 min. | DK/Documentary

Shanne is 13 years old and Emma is 12 years old. They have been friends forever it seems. They went to the same class for years but now Emma has moved. Shanne found a new best friend, Jasmin, but now she is moving too! Teenage life is full of challenges for these girls and especially their friendships. This film opens the door to the girls' room, an unfamiliar space, where emotions are interpreted and turned inside out and back again. It's hard and it's fun and it's for girls!
