

Anne Holst Moulvad, Denmark, 2013

83 min. | DK/Documentary

A portrait of Kristian Marius Andersen. It's a story about the ugly duckling translated into modern danish, where music is the main language. Enjoy music by keyboard player Kristian Marius Andersen. Despite his baggage of Asperger's Syndrome, bullying and a family lacking any special musical talents, he succeeded in becoming one of Denmark's best improvisers on piano and organ. As great as his talent for playing music is his difficulty in structuring and organizing his everyday life. The director Anne Holst Moulvad has been following Kristian for a period of 5 years.
