

2400 NORTH WEST

EN | DA

Carl Schenstrøm Nørrested, Denmark, 1992

25 min. | DK/Experimental

The story of a lonely man who must pay his neighbour to be allowed to walk the neighbour's dog. While walking, the dog gets killed by a gang of roughs who invite themselves to a birthday party at the man's place, and soon the orgy is well under way. A piece of turdsh-brown social realism.
