

PAIN OF LOVE

EN | DA

Nils Malmros, Denmark, 1992

120 min. | DK/Feature

Auteur filmmaker Nils Malmros' first departure from his "schooldays in the 1950s" theme is an emotionally drenching exploration of a seemingly normal and extrovert young woman's increasingly errant way through her first adult relationships and the birth of her first child. Clearly a manic-depressive, no amount of tenderness showed her by those who really care can protect her from her inner demons.
