MOBBET

Dorthe Thirstrup, Kristian Almblad, Denmark, 2014

40 min. | DK/Documentary

When they get to school in the morning, they immediately think about leaving again.
They have escape routes ready, even before the school bell rings, and when other children play football, these kids hide wherever they can.
Lots of children in Denmark feel bullied. In this film bullied children are finally given a voice and a chance to tell their stories. Stories about loneliness, vulnerability and lack of reasons to live. At the same time we may ask ourselves, how these kids find the strength to move on, when their self esteem is completely shattered.
