Lili is too small for many things. This however, will certainly not stop her from trying. Lili likes being the boss, and she wants so much more than she can. She wants to be big enough to decide EVERYTHING. Like when to go to bed, what to eat and what to wear. And when she does not get her way, she gets cross. But mostly Lili likes to have fun and play with Bow-wow. Like when she brushes everything and everyone with toothpaste in the bathroom. Lili's best friend is Molly. When She comes to visit, Lili meets her match. They fall out and quickly make up again. Lili is a series about being 3 years old.
