Ask Hasselbalch, Denmark, 2016

81 min. | DK/Feature | Adventure | Children's films

Its summer time and Pelle is enjoying life with his girlfriend Ida. Crime in Middellund is at an all-time low, and life is actually pretty sweet. But Pelle has started to tire of being Antboy, and perhaps the town doesn't even need a superhero anymore? Besides, Pelle and Ida are going to continuation school together after the summer vacation, and he will consequently have to give up being Antboy - which actually suits him fine. Suddenly strange things start happening. A new superhero appears and completely humiliates Antboy. Pelle's summer vacation, which up to this point had been quite relaxing, suddenly takes an unexpected turn, and Pelle will face his biggest and perhaps final battle as Antboy.
