LOSERS UNITED 1:6

Jesper Rofelt, Denmark, 2015

14 min. | TV series | Comedy, Drama | Children's films

Welcome to Kløver School! The school where everything revolves around soccer and being the best - two things that suit 14-year-old Oscar quite well, as he is the star of the school's soccer team. But Oscar's status and popularity are seriously challenged when the tyrannical and power-hungry coach KØTER expels him from the team. As punishment, he places Oscar on the most unsuccessful media team - together with the other 'losers'!
A war is declared: Oscar is on a special mission to make Køter bite the dust so he can return to the soccer team. It is not something Oscar can do alone, so he gets Anna, Malou, and Youssef from the media team to help him. They quickly become fed up with his smartass style, though. But they simultaneously develop a taste for filming and discover the power the camera gives them.

The 4 outsiders gradually become good friends and even Oscar realises that they are stronger together than apart. 'Losers United' is a comedy-drama series about 4 students, who discover that even though you are marked a loser, you can also be a winner.
