FINALE

Søren Juul Petersen, Denmark, 2018
 100 min. | DK/Feature | Drama, Horror

It is quiet throughout the country. Everybody is glued to the TV watching the finals. Not a single soul is seen in the streets. On the outskirts of Denmark however, a small gas station still needs to be manned. And on this particular evening, two very different young women are on duty. Agnes, a snobbish college student, is trying to work on her thesis, while naïve Belinda is texting away trying to get the attention of her boyfriend. Unfortunately, the shift is not going to be as uneventful as they think, because no customers also means no witnesses.

Basic information
