Zaid is a successful surgeon and lives in a fancy apartment with his pregnant girlfriend. One night Zaid's younger brother, Yasin, knocks on his door and asks his brother for money. Zaid refuses. A few days later Yasin gets assaulted and killed. Since the police are not very helpful, Zaid feels forced to find out who did it himself and embarks on a mission to eliminate all the criminal gangs in Copenhagen. He disguises himself and takes on the criminal underworld. But Zaid's persistent battle results in serious consequences for himself and his family, and he has to decide if the price of revenge is worth it all.
