97 min. | DK/Feature | Comedy

In the early 1980s, the entrepreneurial businessman Thorkild throws himself into a revolutionary project. A project not many people believe in, but he gathers an eclectic team of specialists to help him out. However, as soon as the crew moves to the provinces to start working on the project, they come up against serious problems, because nobody there is ready for a man with Thorkild's grand ideas. Nonetheless, he defies the law of Jante and sets all sails to ensure the success of his visionary venture.
