86 min. | DK/Feature | Drama

Laura returns home to Denmark after a short-lived porn career in the US. Despite the videos of her that remain online, she tries to put the pieces of a normal existence back together. Niklas, Laura's ex, is a recovering addict who finds meaning in his new job taking care of two men with Down Syndrome. As he develops newfound empathy for them, he begins to bend the rigid rules of his role leading him down a slippery slope. Frederik, Niklas' teenage brother, is out to gain respect as a hooligan, peer-pressured into difficult situations and forced to negotiate the demands of masculine bravado.
