DEATH OF A CHILD

Frida Barkfors, Lasse Barkfors, Denmark, 2017 

79 min. | DK/Documentary

How does one live with the unbearable? When the worst has happened and the one to blame is yourself? The documentary film is an exploration of the lives of parents who have caused their own children's deaths, encompassing many different situations in life where tragedy hits and someone is at fault. There is, however, something about what these parents have done that seems to trigger a specific social rage and condemnation. Because what kind of parent forgets a baby in a car?
