HOW TO MEET A MERMAID

Coco Schrijber, Netherlands, 2017 

94 min. | DK/Documentary

In 'How to Meet a Mermaid', the sea becomes a haven for mankind, locked in its struggle with an 'indifferent universe'. Lex, Rebecca, and Miguel each have their own reasons to lay their lives in the hands of the capricious waters. The question remains, however, whether they will find what they so anxiously seek underneath the surface of the waters.
