YOU ARE STILL SOMEBODY'S SOMEONE

Esther Wellejus, Denmark, 2017
 25 min. | DK/Documentary

"You Are Still Somebody's Someone" is a documentary from a daughter to her father. A film on the blurry paths of memory and the love for the person behind the diagnosis. In a dreamy realm of nature and with an abstract use of archival footage You Are Still Somebody's Someone takes us on a journey of the sensing and discovery of memory of a now estranged relation.
