DEN BEDSTE AF ALLE VERDENER

Per Tønnes Nielsen, Denmark, 1994

10 min. | DK/Short fiction | Children's films, Animation

Henrik Petersen just wants to read and be left alone. Especially by his younger sister who invites him all the time to play »unnatural« games. But neither at home nor in school justice has been done, and Henrik Petersen must put up with many humiliations. Until he discovers that he has supernatural powers. He can make people disappear. And now his younger sister, his teacher, his father and mother disappear - the last-mentioned certainly by mistake - and Henrik Petersen rushes successfully towards the peak of society. He becomes prime minister, and one day he uses his powers to achieve definitive satisfaction... The film is based on a short story by Leif Panduro.
