KRISTOFFER KIØRBOE

Director, born 1979. Before becoming a filmmaker, Kristoffer Kiørboe was a musician and an actor in commercials, short films and TV series. He made his directorial debut in 2003 and enrolled in the documentary department at the National Film School of Denmark, where he graduated in 2009. Since then, Kiørboe has made a transition from documentary to fiction, directing smaller fiction projects and several commercials. "Son" is his first purely fictional film.
