

Director, producer. Born 1956.

Jakob Gottschau is part of the journalistic documentary tradition. He has dealt with political issues such as radical Islamism, immigration and the global environment.

Gottschau has directed several films about social media: 'Facebookistan' (2015) about Facebook's censorship policies and handling of personal data as well as 'Factory of Lies' (2018) in which the director explores the infamous Russian troll factory in Saint Petersburg.

Gottschau's films and documentary series have won international awards and been shown in more than 50 countries.
