

Producer. Graduated from the alternative film school Super16 in 2002.

Eidnes has worked in various roles in the Danish film industry since 1995, such as assistant director, director, line producer and editor, before focusing solely on producing. She has produced 'Ditte and Louise' season 2 (2016), 'Dreambuilders' (2020) as well as several documentaries, short films and international feature films.

In 2012 she founded the Copenhagen-based production company First Lady Film, which focuses on fantastic films for a young audience.
