OLAF USSING

(1907 – 1990)

Danish actor, born April 28 1907, died January 4 1990. Got his stage break through in 1942, but it was not until 1950-66 at Det Ny Teater that Olaf Ussing became one of the great stage actors. Early in his career, he specialised in playing old men. "I had a peculiar ability to wear a moustache," he said many years later. Appeared in more than 50 films, but mostly smaller parts.
