NOTES TO THE DELIVERY LIST:

Stills used for press release about the funding of the film.

TIFF format international standard format of the highest quality.

Press text used for promotion.

Dialogue lists used for festival purposes for subtitles in other languages and to ensure that the dialogue of the film is preserved.

Music cue sheet used for financial settlement when the film is shown and important in connection with management of rights.

Credit list with billing block to ensure accuracy of the film's metadata and to be used for the fact sheet on dfi.dk.

Billing Block is a list of the order in which credits are presented.

ISAN number so that the film can be uniquely identified and rights cleared.

Printed poster to be used when the film is screened at Cinemateket and to ensure documentation of the film.

Synopsis and other information about the film in Word to be used by DFI for internal databases and fact sheet.

Digital Master is for preservation and will together with PAC files cover the need for distribution and other formats.

Finalmix to ensure that the soundtracks are preserved and to ensure alternative versions of the film in other languages.

PAC files are subtitles with time codes which are synonymous to the time codes on the digital master and the dialogue lists.

DCP is for public screening including screening at Cinemateket. A DCP is also part of the preservation package. If the film has received production support after 1/7 2016, a version with DK subtitles (full text for the hearing impaired) must also be provided, if the movie is distributed to cinemas.
