

LEGAL DEPOSIT / DELIVERY LIST

FEATURE FILMS MINOR COPRODUCTION

General requirements:

The delivery will only be received and approved if ALL materials in the delivery are uploaded at the same time and according to the legal deposit lists and the technical specifications.

A delivery which is not complete delivery will be rejected and deleted and therefore it will have to be resubmitted as one delivery.

Rejected materials delay the payment of the instalments, and the payment will not take place until the delivery is correct and approved.

Upload via Media Shuttle:

1. Go to the address: <https://dfi-pligtafleivering.mediashuttle.com>
2. Use a wired, not a wireless connection
3. In the pop-up window, agree to open the Signiant App
4. Download the Signiant App and install if you don't already have it
5. Say OK that you have installed
6. Use "Add Files" to add files and folders
7. Write your e-mail address in the "From" field, click "More" and tick off "Add a message"
8. IMPORTANT: In "Optional message" write the film title, your name, e-mail, phone number and other important messages

NOTES TO THE DELIVERY LIST:

Billing Block – a list of the order in which credits are presented.

Credit list – with billing block to secure the accuracy of the film's metadata, and on dfi.dk.

DCP – for public screening of the film, including screening at Cinemateket. A DCP is also a part of the preservation material.

Digital Master – used for preservation. Together with PAC files, this master will also be able to cover needs for distribution and to produce other formats.

Final mix – In order to ensure that the soundtracks are preserved and to facilitate possible alternative versions of the film in other languages.

ISAN number – (International Standard Audiovisual Number) ensures that the film always can be uniquely identified, and that rights can be clarified.
See: <https://producentrettigheder.dk/isan>

Music cue sheet – used for financial settlement when the film is used, and important in connection with management of rights.

PAC files – subtitles with time codes that match the time codes on the digital master and the dialogue lists.

Printed poster – to be used when the film is screened at Cinemateket and to secure documentation and preservation of the film.

TIFF format – international standard format.
