

VALI

Cagatay Tosun, Tyrkiet, 2009 

120 min. | U/Spillefilm

The Governor (Erdal Besikçioglu) is conducting studies on uranium with his childhood friend Ömer Uçar (Ugur Polat) and his team, while struggling against a beautiful and clever bureaucrat (Sebnem Dönmez) who aims to open up the local energy sources to foreigners. When suspicious deaths begin along with danger, things will never be the same in Denizli. The truth behind the deaths will create mistrust for the system while exposing the repercussions of the recent past.
